

# **DR. STANLEY W R de A SAMARASINGHE**

## **BIO-DATA AND CURRICULUM VITAE**

My training and expertise is in the field of economics and international development. My academic training (BA, University of Ceylon, Sri Lanka) and Ph.D. (Cambridge, England) is in Economics. In my professional career I have been a college professor teaching international development, the last 20 years of which were in the US. My research and writing has also been in the same field focusing especially on the inter-relationship between sustainable development and violent conflict, and on international health especially in South Asia and Sub-Saharan Africa. I have been a consultant to major international organizations including USAID, UN and World Bank.
